

## Mercury 1082 Induction

The Mercury range cookers deliver the perfect fusion of uncompromising quality, innovative design and performance

Intuitively designed with meticulous attention to detail, the vibrant colours and cutting edge styling add a bold statement to any kitchen. With a huge cooking area, two ovens, separate grill and induction hob, this is more than just a stunning appliance; it is the epitome of design, innovation and a true culinary experience

### KEY FEATURES

- A rated ovens giving the best possible energy efficiency
- Induction hob, for truly flexible and responsive cooking with "hot hob" indicators for added safety
- Multifunction oven, allows food to be cooked to perfection by selecting the correct function for the food
- Heavy duty furniture, extra tough and durable oven furniture for long lasting quality and performance
- Telescopic shelf, for ease when checking and removing dishes from the oven
- Mercury designed hi-fi control knobs, to finish off the unique Mercury styling
